COMMISSION FOR THE CATHOLIC MISSIONS AMONG THE COLORED PEOPLE AND THE INDIANS.

This Commission for distributing the funds collected annually by order of the Third Plenary Council of Baltimore, in behalf of our missions among the colored people and the Indians, consists of His Eminence James Cardinal Gibbons, chairman, Most Rev. Dr. Ryan, Archbishop of Philadelpdia, and Most Rev. Dr. Kain, Archbishop of St. Louis, Mo.

All remittances and all communications concerning the business of the Commission, should be addressed to the secretary, Rev. E. R. Dyer, S.S., D.D., St. Joseph's Seminary, Yonkers, N. Y.

The Commission has made it a rule to consider only such applications as are received through the Most Rev. and Rt. Rev. Ordinaries and to put at their disposal whatever allocations may be made for the works under their charge.

It will always, be taken as a matter of course, that a mission which does not apply for assistance does not expect a share of the funds. Application must be made every time an appropriation is desired.

THE BUREAU OF CATHOLIC INDIAN MISSIONS.

(Office: 739 13th Street, Washington, D.C.).

The Bureau of Catholic Indian Missions was established in 1874 by the Most Rev. Archbishop of Baltimore, upon the recommendation, and for and in behalf, of the Catholic Prelates having Indian Missions within the limits of their Dioceses, for the purpose of representing before the Government the interests and wants of the said Prelates in all matters pertaining to Indian affairs. It was, by Decree of the Third Plenary Council of Baltimore, which was approved by Rome, recognized as an Institution of the Church, and was by that Council placed under the charge of a Committee of seven Prelates, consisting of His Eminence James Cardinal Gibbons; Most Rev. P. J. Ryan, Archbishop of Philadelphia; Most Rev. P. J. Riordan, Archbishop of San Francisco; Most Rev. P. L. Chapelle, Archbishop of Santa Fe; Rt. Rev. James A. Healy, Bishop of Portland: Rt. Rev. John B. Brondel, Bishop of Helena, and Rt. Rev. M. Marty. Bishop of St. Cloud. In 1894 this Committee was dissolved, and the Bureau as then constituted was superseded by a new corporation chartered by an Act of the Assembly of the State of Maryland—the incorporators being His Eminence James Cardinal Gibbons, Archbishop of Baltimore: Most Rev. P. J. Ryan, Archbishop of Philadelphia, and Most Rev. M. A. Corrigan. Archbishop of New York, and its corporate name being "The Bureau of Catholic INDIAN MISSIONS". The new organization succeeded to all the rights and powers of, and all the property held by, the old incorporation; has adopted laws for the government and guidance of the Bureau, and has selected as its officers the following:

HIS EMINENCE JAMES CARDINAL GIBBONS, President. RT. REV. MONSIGNOR J. A. STEPHAN, Director. REV. E. R. DYER, SS., D.D., Treasurer. CHARLES S. LUSK, Secretary.

The principal work of the Bureau is the establishment of Boarding and Day Schools among the Indian Tribes, and the procurement from the Government of funds for their support and

AMERICAN COLLEGES IN EUROPE.

PONTIFICAL COLLEGE OF NORTH AMERICA.—THE NATIONAL COLLEGE OF THE UNITED STATES OF AMERICA AT ROME, ITALY. Founded by Pius IX. and formally opened by him Dec. 8, 1859; raised to the rank of *Pontifical* College by Leo XIII, by Apostolic Letters "Ubi primum" of Oct. 25, 1881, and destined for the education of students for the Church in the United States of America. Without dispensation from the Pope only students from America are admitted into the College.

Students enter for philosophy and theology, and sometimes also for humanities, and follow the course of the Urban College of the Propaganda for all branches.

A supplementary apartment has been opened lately where a few students are accommodated, that with proper permissions, desire to remain in Rome sometime after their ordination, in proder to persue special studies, or to become acquainted with the practice of the Roman Congregations. Very Rev. Wm. H. O'Connell, rector; Rev. John P. Farrelly, D.D., Magister pietatis. Number of students, 65.

AMERICAN COLLEGE OF THE IMMACULATE CONCEPTION OF THE BLESSED VIRRIN MARY AT LOUVAIN, BELGIUM. This College has been established by several of the American Bishops with the consent and approbation of His Eminence the Cardinal Arshbishop of Malines, under the patronage of the Bishops of Belgium, and under the auspices of charitable persons both in Europe and America, who take a lively interest in the missions of the vast American continent.

The object of the institution is to procure for young men who desire to consecrate themselves to the missions of North America, a sure and easy means of pursuing their vocation.

The students are taught the English and German languages, and after having gone through a course of theology and having received the instructions necessary for their holy mission and the requirements of the country in which they are to preach the Gospel may be allowed to follow the more profound branches of the celebrated Catholic University of Louvain.

The missionaries educated in the American College are destined to remain secular priests, and, as such, will labor in the places assigned them by their respective Ordinaries.

Applicants for admission must have received the permission of their Ordinary, and must furnish the certificates of good conduct and have aptitude for the study of theology or philosophy. Those who enter after having been ordained priests will be sent to America and become affiliated to a diocese as soon as they are judged sufficiently qualified for the work of the missions. Students who pay their own pensions will have the right of choosing any diocese they please amongst those whose Bishops are patrons of the institution. Those who do not pay for themselves will be at the disposition of the Right Rev. Patrons who secure payment of their expenses. Students whose expenses are paid by burses founded by charitable persons will be placed according to the intention of the founder. Charitable persons in Europe are contributing to the foundation of burses in the Collete for the purpose of educating young men for the American missions. It is earnestly hoped that the Right Rev. Prelates of America will employ fheir influence to secure similiar foundations for the institution by zealous and charitable persons in the New World.

The Rector would respectfully request the Patrons of the Instituion, as well as other American Prelates who de ire to place students in the College, to inform him of their intention at least two months before the opening of the scholastic year which begins on the first of October.

In case the number of applicants should be greater than can be received, the preferences

will be given to the students of those Prelates who have contributed towards the foundations. Students who wish to enter, should be at least sufficiently advanced in their studies to begin philosophy. The annual pension for board including bedding is \$140 in advance.

Faculty: Right Rev. Mgr. J. Willemsen, rector and professor of dogmatic theology; Very Rev. W. Stang, D.D., vice-rector and prof. of church history and pastoral theology; Very Rev. J. Canon De Beeker, J.U.D., professor of canon law and liturgy; Rev. E. Génicot, S.J., professor of moral theology; Rev. Jos. Huygen, S.J., professor of sacred scripture; Rev. P. De Lattre, S.J., prof. of Hebrew; Rev. L. Delplace, S.J., and Rev. J. P. Boller, S.J., spiritual directors. Number of Students, 91; Priests on the American Mission, 553.

MOTHERHOUSE at St. Joseph's Academy, Emmittsburg, Md. Mother Mariana, supr.

The Sisters of Charity (Filles de la Charité, Daughters of Charity) were founded in Paris in 1633, by St. Vincent de Paul, aided by Mademoiselle Louise le Gras. As their name As their name indicates, the Sisters take charge of works of charity in general. The members are not bound by perpetual vows, but on March 25, of each year take the simple vows of religion. They are governed by a Mother General, who resides in Paris, and is subject to the Superior-General of the Priests of the Congregation of the Mission.

The Sisters of Charity of the United States were founded by the saintly Mother Eliza A. Seton. This devoted lady was the daughter of Protestant parents in whose faith she was educated. She received the gift of faith in 1805 at Rome, Italy, and on June 2, 1809 she established at Emmittsburg, Md., a community which she called "St. Joseph's Sisterhood". Her first companions were Misses Cecilia O'Conway and Mary Murphy, both of Philadelphia. Mother Seton and her ecclesastical superiors having determined to found the community on Mother Seton and her ecclesiastical superiors having determined to found the community on Mother Seton and her ecclesiastical superiors having determined to found the community on the plan of the Daughters of St. Vincent de Paul, she applied to France for Sisters to aid the undertaking. The Mother General consented and four sisters were deputed to come to America and take charge of the work; but their journey was prevented by the government of Bonaparte, which refused to permit the Sisters to leave France. A copy of the French rule was however, obtained, and the sisters began to observe it with certain modifications suited to the circumstances of the country. The saintly Mother Seton passed to her reward January 4, 1821. In 1830 a union was effected between St. Joseph's Sisterhood at Emmitsburg, and the Daughters of Charity in Paris, and on December 3, 1850 the Community of Emmittsburg assumed the habit worn by the Sisters in France.

SISTERS OF OUR LADY OF THE GOOD SHEPHERD.

Mother Mary of St. Euphrasia Pelletier, the first Superior-General St. Compregation, entered the community of the Sisters of Our Lady of Charity of Refuge at Tours, France, in 1815. She was so well adapted for the work among the penitents, that before she had completed her twenty-first year, she was put in charge of them. A few years later she was elected prioress of the Monastery, the Pope granting the required dispensation, as she had not attained the canonical age. In 1827 she was invited by the Clergy of Angers to take charge of a Refuge, which they were founding on the bequest of a pious widow, and having obtained due authorization from the ecclesiastical authorities, she accepted the call. The House being successfully establised, she undertook the reorganization of the Order to further its missionary development. Originally each house was an independent institution. There was no centre for consultation, no source whence weak and struggling foundations might claim aid and sympathy, no way of distributing and interchanging the religious so as to place each sister in the position where the Institute would obtain from her the best service. Mother Mary of St. Euphrasia's plan was the centralization of the Order, Angers should be made the Motherhouse, and the general government of all houses, which should be founded from Angers, should be entrusted to the Superior of said house. She won for her plan the approval and approbation of the Bishop of Angers and other churchmen, also the substantial aid of several wealthy noblemen, as the means which she proposed to realize her plan were eminently practical and her disinterestedness and rectitude of intention evident. In 1835 the Pope approved of the change in the government of the Order, and also the new title Our Lady of Charity of the Good Shepherd of Angers was so rapid and extensive, that in 1837 Pope Pius LX issued a Decree dividing the Order into Provinces. The Provincial of Our Lady of Charity of the Good Shepherd of Angers was so rapid and extensive, that in 1857 Pope Pius IX. issued a Decree dividing the Order into Provinces. The Provincial Superiors as well as the Local Superiors to be appointed by the Superiorses General, residing at Angers. SISTERS OF OUR LADY OF CHARITY OF REFUGE.

The celebrated Rev. Père Eudes, founder of the Congregation which bears his name, had the happiness on his missions, given in the years 1635—1640, of converting several fallen women from a life of sin, who presented themselves, begging him to provide for them a place of refuge where they might do penance. Having assisted them by his alms, he turned them over to the care of some pious ladies, one of whom was Mademoiselle Madeleine l'Amy. He rented a house in Caen in 1641, with the assistance of charitable persons, and as the number of penients rapidly increased, he introduced the enclosure into the community. The new order was at first directed by Sisters of the Visitation. Pere Eudes, desirous of forming his institute according to the spirit of St. Francis de Sales, gave to it the constitutions of the Sisters of the Visitation, with the modifications required by its peculiar character. He decreed that the penitents should not be admitted into the order, but that they should be kept entirely separated from the religious. After the return of the Sisters of the Visitation to their monastery Mother Mary of the Assumption de Taillefer became superior of the community. The habit consists of a robe, scopula, and mantle, all of a white color, with a black veil and silver heart on the breast. Pope Alexander VII. erected the congregation as a religious order by a Bull of January 2, 1666,

MOTHERHOUSE at Paris, France.

CONVENT at 114—116 E. 86th st., New York City. Established May 1892.

The work of the Sisters is to visit and nurse the sick poor in their own houses, and to give religious instruction to children und adults. The Sisters have no schools, but receive children on their leaving the public schools in the afternoon for catechism classes, both for boys and girls: have Sunday and evening meetings for older girls engaged in business houses, also for mothers of families. On weekdays both girls and women do needlework at the meetings; materials are provided for them, and the clothing there made, is given to them. Many converts, or Catholics whose religious education is deficient, are instructed individually and prepared for the Sacraments. The same work is done for the colored people. All the works are undertaken with the view of helping the Souls in Purgatory, not only by prayers, but also

by works of mercy-spiritual and corporal; and they are entirely gratuitous, nothing being accepted either from the sick poor, the parents of children instructed, or their friends. The Sisters depend upon Divine Providence, and the free gifts of those whose devotion to the Holy Souls prompts them to aid a Society devoted to work for the living and the dead. Legal title: The Society of the Helpers of the Holy Souls of the City of New York.

SISTERS OF ST. JOSEPH (of Carondolet).

The Congregation of the Sisters of St. Joseph was founded in the city of Puy, France, in the year 1650, and rapidly developed itself in most of the chief cities of the land, when the French revolution of 1789 demolished all, or nearly all Convents. After the subsequent restoration of religious Orders in France, the Institute was reorganized in Lyons, which House became the General Motherhouse of the Congregation and the parent of all subsequent establishments. In 1836 six Sisters from the Motherhouse of Lyons, at the request of Bishop Rosati of St. Louis, came to found a House at Carondolet, near St. Louis, which then became the chief Motherhouse in this country, without however being dependent on Lyons. All the Houses of the Sisters of St. Joseph in the United States and Canada, except those of New Orleans, Clincinnati, St. Augustine, Fla., and Savanah, Ga., owe their origin either directly or indirectly to the Motherhouse of St. Louis. As however, in the early days the Institute was considered diocesan, it naturally followed that many Branch or Novitate Houses should be established, until in 1861, by the authority of His Holiness, Pius IX., the Congregation was reorganized under approved Rules and Constitutions and subjected to the immediate government of a Superioress General who resides at the Motherhouse of St. Louis, and to whose jurisdiction all the Houses thereafter founded by this House, were to be subject. In Community, Sisters, 1026; Novices, 120; Postulants, 94.

The Congregation of the Sisters of St. Joseph of Carondolet is divided into 3 Provinces. viz: St. Louis, St. Paul, Troy.

VISITATION NUNS.

The Order of the Visitation was founded at Annecy (Savoy) in 1610 by St. Francis de Sales, Bishop and Prince of Geneva, and St. Jane Frances Fremiot de Chantal, for the purpose of opening a Retreat to persons desirous of the religious life, too infirm in body to enter an austere Order; there to sanctify themselves by prayer and good works, and to help the salvation of souls, using for that all the means in their power, as prayer, self-sacrifice, charity of any kind compatible with the Rule; retreats and spiritual exercises oftered to souls desirous of greater perfection. The intention of the holy Bishop, was not, he says it expressly, to occupy his daughters with the education of young girls, nevertheless, he allowed some few in the monasteries, whose parents destined them to be formed more for solid piety than for the world; and this has been observed almost universally with the said conditions. The Monasteries of the Visitation although spread through all countries even during the life time of the Founder, have no Superior General, they are independent of each other, nevertheless the holy Bishop of Geneva gave them a bond of union, which he deemed stronger than human means. He wished all the Visitation Houses kept in an intimate union, by a mutual Charity, and child-like confidence towards the Motherhouse at Annecy, whose duty it is in return for this to watch with a motherly love over the spiritual and temporal necessities, as well as the this to watch with a motherly love over the spiritual and temporal necessities, as well as the keeping up of the letter and the spirit of the Rule. Therefore, any house has the right to refer to Annecy in its troubles or difficulties, and each house more-over owes its assistance to the houses foundet from it. Three Centuries testify to the wisdom of the holy Founder, by the perfect union and preservation of the primitive spirit in the 170 Monasteries existing at present throughout the world. The Visitation was introduced in America in 1799 when the first Monastery was established at Georgetown, D. C. At that time the needs of the country requiring all good Catholies to unite their common strength in the work of Christian advances. requiring all good Catholics to unite their common strength in the work of Christian education, the Visitation in America had from its first beginning to extend the simple concession of the Founder, making education the principal object of its existence. This naturally made it deviate from the first idea of the Founder, and from the original aspect of the Visitation

VISITATION CONVENT (Primitive Observance).

In 1892 Miss Mary L. Abell, daughter of A. S. Abell, Esq., of Baltimore, was inspired with the wish to establish the Visitation in its primitive spirit and rules. She made the proposition of this great undertaking to the Monastery of Wilmington, Del. (founded at Keokuk in 1853 by four Sisters from Montluel, France, and transferred to Wilmington, Delaware, in 1868). The proposition was accepted, and the plan laid out and executed under the guidance of the Right Rev. A. A. Curtis, D.D., Bishop of Wilmington. The Motherhouse of Annecy, sent at the request of the Community two Sisters to establish the Rule, one of whom, Mother Marie Alexandrine de Butler was elected Superior in June 1892. The new Monastery on Bayard ave. was completed in 1893 and on July 31, the transfer of the Community, 32 in number, was made from the Convent on Delaware ave. to its present location.

Ecclesiastical Art.

Stained Class.

JUNICH, the capital of Bavaria, has always been recognized as a great art Centre. The fame of her artists is world wide. Their works in every branch are largely sought after, no price being spared to obtain them.

Eminent among those devoted to art in Munich, in its relation to religious or church decoration, is the house of Mayer.

Mr. Francis B. Mayer, one of the members of the firm, personally superintends the production of the Stained Glass. He has devoted his life to this work, and is an acknowledged authority and expert in this line. To his skill and deep research is due the production of those exquisite tints, which for a long period was one of the lost arts. His designs and drawings and those of his artists are executed with the utmost skill and care, and combine all that is best of the different Schools or periods, applied to modern productions. No detail is neglected to insure perfection. To be in strict conformity with the rubrics, one of the highest ecclesiastical authorities is constantly consulted about new works undertaken. The material used is what is known as the "Antique Glass," the coloring of which being the material itself, affords that remarkable brilliancy, transparency purity and sharpness of finish, with the soft, chaste and rich harmony of hues, so much admired in the grand windows of European churches. Their glorious representations seem alive, appealing to religious feeling and devotion.

Examples of Mayer & Co's Munich stained glass windows can be seen in many of the Cathedrals and Churches throughout the States. Space does not permit enumeration of them in

detail but a list will be gladly forwarded on application.

SAN FRANCISCO, CAL., March 25th, 1891.

The Stained Glass windows furnished by your house for the new Cathedral of this City give the greatest satisfaction and are admired by all who see them. It would be a difficult matter to produce better ones for artistic drawing and technical execution. It gives me pleasure to recommend so reliable a firm as Mayer & Co. to all who are looking for Stained Glass of superior quality and workmanship. Sincerely yours,
† PATRICK J. RIORDAN, Archbishop of San Francisco.

Statuary.

Years ago, the late famous Professor Joseph Knabl, an artist known throughout the world, not only for his own creations, but for his master mind in all matters of art, was engaged by Mr. Mayer as director of his establishment. He surrounded himself with men of superior talent and taste. The work executed by these artists has spread the fame of the MAYER establishment wherever religion has reared her stately temples. This branch is now under the supervision of Mr. Joseph Leonard Mayer.

The material used is Stone Composition, a specialty of the firm, which admits of a very fine finish, and when decorated will bear very favorable comparison to the finest carved wooden Statues, especially as regards the life-like and devotional expression of the faces, to illustrate which we give here an enlargement of the head of our No. 4 Statue, of the Immaculate Conception 6 feet high, price \$98.00, it being absolutely impossible to bring out, in such illustrations as are displayed on page five, the details which have made the Munich Statues so famous.

Pending the completion of a more detailed Catalogue, we invite the Clergy and others to correspond with us in reference to Statues they may need. On receipt of particulars as to Statues required, height, &c., photographs and prices will be sent by return mail.

Special estimates submitted for Statues in Terra Cotta, Wood, Metal. Stone or Marble.

WASHINGTON, D. C., March 19th, 1891.

I am happy to state that the Marble Statue of Mary Immaculate which graces the entrance of our University Chapel, is admired by all, both for its artistic execution and its religious spirit. Many have supposed it the work of some French artist, but I am happy to give the honor to your firm in Munich who executed the work.

The Statues in stone of St. Paul and St. Thomas Aquinas are also much admired as majestic and artistic productions, nor must I omit to mention that the Stations of the cross, also from your Munich firm are considered wonderfully de icate and beautiful.

Lam happy to state that the Marble Statue of Munich

I am happy to pay this deserved tribute to the religious art of Munich.

Sincerely yours in Christ,

†JOHN J. KEANE, Rector of the Catholic University.

Right Rev. Augustin Dontenville, D.D., O.M.I., Coadjutor Bishop of the Right Rev. Paul Durieu, D.D., O.M.I., Bishop of New Westminster, B. C., was born June 4, 1857, at Bischweiler, diocese of Strasbourg. Alsace, then a French Province. He came to America in 1872. TO THE CLERGY.

THE CATHOLIC CITIZEN of Milwaukee, Wis., is a Catholic Weekly of special interest.

It now has on its list 13 Archbishops, 17 bishops and 574 priests.

Though published by laymen and for laymen it seems to be preferred in the west by most priests above all other Catholic papers.

"Because it isn't moribund" says one priest. "Because it provokes thought" says another.

Mgr. Satolli, through his secretary, October 30, 1894:

"He wishes me to congratulate you on the thoroughly Catholic character of The Citizen, and the able manner in which it is edited for the best interests of religion. He expresses his entire satisfaction with your devotion to the Holy See, and your deference shown to this Apostolic Delegation."

Cardinal Gibbons, October 8, 1897:

"The interest which you take in the Catholic intellectual movement is worthy of all praise. * * God grant that many be found to emulate your earnestness in a cause so truly grand!"

Send your address to us on a postal card and we will gladly mail you a sample copy. (Subscription price \$2.00 per year.)

Apparently no complete English translation of this remarkable autobiograpy has ever been published. The fullest, an anonymous one published by subscription at Bristol in 1772, is an abridgement by one half, and has long been unprocurable. For many years Upham's "Life," generally condemned as "meagre" and "unsatisfactory," to which "misleading" might be added, has been the only source of mormation available to English readers. Yet to know Madame Guyon one must read her own narrative, and not to be content with second and third-hand accounts repeating, one after the other, errors 'inexplicable had the writer consulted "La Vie écrite par elle-même." The present is a complete and perfectly independent translation. Besides its interest as a record of spiritual experiences unparalleled unless in the Life of St. Theresa, the last part of this autobiography shed a valuable light on the interior procedure of the Gallican Church, under the rule of Bossuet and Madame de Maintenon.

"The Acolyte's Companion" has been in use among our students for some time, and I am pleased to tell you that it is very well liked by all who know it I t contains all that is necessary und useful for acolytes to know of the ceremonies of High and Low Mass, Mass of the Dead, Pontifical High Mass, Vespers, Benediction, etc. The Ordinary of the Mass, taken from the Missal, the Psalms and anthems for Vespers, the hymns for Benedictions are, of course, the best form of prayer and devotion to which boys should be trained. The other devotions, not too many nor too lengthy, are well-suited to boys. I think you have succeeded in preparing for Altar boys and for students in general, an excellent manual of ceremonies and prayers.

Yours truly

Mr. B. Herder is doing Catholic juvenile literature a good turn in giving us in an English garb Father Spillmann's Tales of Foreign Lands. They none of them lack interest, and dealing as they do with historical events, they make very profitable side reading for our young students of geography and preliminary history, aiming to give them an insight into the customs and topograpy of different countries across the sea, and to fix deep in their plastic minds the memory of leading events in the story of other nations. HENRY NEHRLING.

36 COLORED PLATES AFTER WATER-COLOR PAINTINGS, BY PROF. RIDGWAY, SMITHSONIAN INSTITUTE, WASHINGTON, D. C., PROF. A. GOERING, LEIPZIG. AND GUSTAV MUETZEL, BERLIN.

No efforts have been spared to make this the most excellent of all works of a similar character heretofore published. The reading matter has been printed from a large new type on finest bookpaper. The colored plates are made after originals of artists who rank highest in their profession. The author, MR. NEHRLING, is an Active Member of the American Ornitholo-gists' Union, a Corresponding Member of the Nuttall Ornithological Club, and Honorary Member of a large number, of European scientific societies.

GUSTAV MUETZEL.

Mr. NEHRLING and the above named artists have combined with the publisher to present to the public a work on North American Birds, which will, by its own merits and its fine make-up, become a standard work, one that cannot be missed in any well selected Private, College or Public Library.

The ornithological Magazines at home and abroad have published series of articles from Mr. Nehrling's pen, which have won him honor and esteem among the scientists as well as among the amateurs in ornithology, and the lovers of the beautiful winged inhabitants of our Country.

PROF. R. RIDGWAY.

DR. C. HART MERRIAM, United States Department of Agriculture:

"I take the deepest interest in this book of yours because I believe it to be a work of great importance to American ornithology, and incomparably the best book of its kind that has ever appeared."

Dr. D. S. Jordan, Author of the "Manual of Vertebrates," President of the Leland Stanford Jr. University, California, writes:

"Your book on North American Birds is very charmingly written, and I find the accounts both accurate and interesting. It will be gladly well-comed by all friends of the Birds. The plates are very satisfactory."

PROF. A. GOERING.

Dr. J. Allen, American Museum

of Natural History, New York City, Ex-President of the American Ornithologists' Union, Editor of the "Auk," writes:

"The biographies are charmingly written, and have a freshness and originality that is very pleasing.

Mr. B. T. GAULT, Member of the American Ornithologists' Union, and of the Ridgway Ornithological Club of Chicago, writes:

"I have never read anything, pertaining to the life-histories and ways of our native birds, that was more charmingly written."

The work has just been completed and bound copies are now ready for delivery.

This magnificent work consists of two Quarto-Volumes, bound in American calf, maroon, gilt edges at \$11.00 per volume, or \$22.00 for the set.

We submit an article taken from "The Sedalia Daily Capital" which explains itself:

The altar is a work of divine beauty and will be a joy forever to the congregation of the Sacred Heart church. It has been anticipated that it would be a creation to delight the eye and inspire the soul, but the audience that was present last evening were not prepared for the effect of its imposing grandeur. The builder of the handsome piece of work is Anton Deschermeier, of Chicago, one of the most famous men in his line in the country, and his skill is surely portrayed to a gratifying degree in the perfection of the design of the Sacred Heart altar. In beauty of design, imposing magnitude and artistic proportions it could not be improved upon. It is built entirely of white walnut, hand-carved, and in the grand and beautiful old Gothic style of architecture.

Testimonials in Attestation of the Exanthematic Remedy,

Mt. CARMEL, CARROLL Co., IA., Dec. 4th, 1896.

Esteemed Mr. John Linden, Cleveland, Ohio: I must admit to you, after a three months' trial upon myself, that your Resuscitator is the best method which I have yet found to cure rheumatism. Doctors and medicines could help me no more and my sufferings were great. During the entire summer I could not wear shoes upon my feet. In August I saw an advertisement in the "Waisenfreund" of your method of cure, and that the same was a specific remedy for rheumatism. I ordered the same from you in the beginning of September, of this year, and applied the Resuscitator and Oleum four times according to the directions in your book of instruction. In the course of a month I could again wear my shoes and perform all of my ecclesiastical duties. I would therefor recommend your remedy to all sufferers afflicted with the arch enemy of mankind, rheumatism. With sincere greetings, I remain, your friend in Christ, B. M. V.

REV. FATHER G. H. LUEHRSMANN.

FRANK, SENECA Co., OHIO, August 17th, 1897.

Mr. JOHN LINDEN, Cleveland Ohio.

Mr. John Linden, Cleveland Ohio.

Dear Sir:— We must again intrude upon you, but before doing so, we wish to thank you for the last order of Oleum sent to us, especially for the extra bottle, for which the Lord may bless you. Kindly send as soon as possible six more bottles of Oleum as we find that the Resuscitator effects much good. At this occasion we will eite the following case. We have a Sister here, 64 years of age. Upon examination of the doctors she was pronounced incurable as her intestines were full of ulcers. She lost flesh rapidly and suffered great pain and the doctors then only gave her a few months to live. To afford some relief the doctor gave us an instrument to keep her bowels open and ordered daily injections, for the bowels never moved naturally. This treatment was continued for 1½ years, besides taking a tonic to strenghten her and to check and abate the fever as much as possible. This worked well, she was obliged to remain in bed and did not suffer excessive pain; during this time she had an attack of La Grippe and Pneumonia and came near dying. As her condition remained about the same, we thought of giving your Remedy a trial and applied the Resuscitator, and Oleum upon the back, shoulders, entire abdomen, and calves of the legs. An improvement was quickly apparent and so we continued the applications, making four between April and July. Then recovery began, the patient's appetite returned, the stomach worked again and the bowels moved naturally, only that a mild laxative was occasionally used. After each application with your Resuscitator and Oleum an improvement is noticeable and upon receiving the Oleum we will continue the treatment and will advise you further regarding results. If we had used your Remedies at improvement is noticeable and upon receiving the Oleum we will continue the treatment and will advise you further regarding results. If we had used your Remedies at once, or shortly after the patient was taken ill, it would have been an easy matter to effect a rapid and an entire cure. — We remain,

Respectfully yours,

SISTERS OF THE PRECIOUS BLOOD.

Also a high recommendation from Dr. PAUL REISSMANN,

of BIRNAMWOOD, SHAWANO CO., WIS.

"THE FLIGHT."

A Quarterly published by the Institute of Mission Helpers—a Community of white Sisters devoted to missionary work. Their Mother-House is in Baltimore, Md., and the proceeds of this little magazine enables them to carry on their Apostolic labors.

The spiritual benefits will be found in the magazine.

To the Friends of the Mission Helpers, our Subscribers and Angels:
OUR HOLY FATHER'S BLESSING.

"Mother M. Joseph, of the Mission Helpers, humbly prostrate at the feet of Your Holiness, begs you to grant to the Angels and Subscribers of "THE FLIGHT," the Apostolic Blessing and Plenary Indulgence in "Articulo Mortis," in the usual form of the Church as prescribed by the Apostolic See." (Signature as on accompanying cut.)

Ex Astibus Vations

The Sisters visit Hospitals, Jails, the Penitentiary, Almshouses and other public Institutions in Baltimore and Washington to the number of thirty-one. They have sewing schools, which are means to Catechism, in nine different parts of the city and counties.

They also visit the homes of the Poor.

The Sisters also go to other portions of the state to prepare classes for first Holy Communion and Confirmation. Not teaching parochial schools, Divine Providence is their only reliance, hence a vocation to this institute demands in an heroic degree, earnestness of purpose and a love of the Cross.

All the works are done for the suffering souls,—all the members of this Community making the "Heroic Act." They suffer, work and pray for the souls in Purgatory.

GENTLEMEN:—

For the past three years I have been using your wines for Altar purposes at St. Prokopius Abbey. I have thoroughly satisfied myself that they are absolutely pure and I have always found them uniform and excellent in quality and, in short, just as you represent and guarantee them.

For a pure Wine, which has not been treated but has "made itself" I heartily recommend yours.
